

NVJCYO Cross Country Championship Meet

Saturday September 19th 2026

Location

Saint Paul VI Catholic High School
42341 Braddock Road
Chantilly, VA 20152

Schedule

7:15am: Packet Pickup Available and course opens for walk-through

- Coaches meeting at 8:10am near start line
- Course must be clear at 8:20am

Race Start	Event	Distance
8:30 am	JV Girls (5 th - 6 th Grades)	3K
9:00 am	JV Boys (5 th - 6 th Grades)	3K
9:30 am	Varsity Girls (7 th - 8 th Grades)	4K
10:00 am	Varsity Boys (7 th - 8 th Grades)	4K
10:30 am	Frosh Girls (3 rd - 4 th Grades)	2k
10:55 am	Frosh Boys (3 rd - 4 th Grades)	2k

***Tentative times - These times are merely tentative and runners should be prepared for a start that could be +/- 5 to 10 minutes of the above. Races will NOT be held for runners.**

Participants: Teams are allowed to enter an unlimited number of runners in each race category. Runners will be allowed to run down (i.e. a 5th grader may compete in the Frosh race if not prepared to compete at the 3k distance). Runners are not permitted to run up.

Timing: All races will be timed with disposable chips attached to the runner's bib. These chips accurately record finish line times and positions. Please instruct athletes not to fold numbers or remove the embedded timing chip. Given the associated cost with the bibs, we ask that each team do the best possible job to ensure that registered athletes actually run. We understand athletes will come who were not expected and vice versa, but we just ask for an increased level of focus on who will be running. We will have additional bibs for unregistered athletes, but not an infinite number.

Registration: Registration rosters are due to the meet director no later than 5:00pm on Tuesday, 8th September 2026.

Course Description: The courses will follow segments of the Saint Paul VI High School cross country course and will feature relatively flat, open field running on predominantly grass surfaces. The start and finish will occur on the track, with a mass start configured as a typical cross country race. Teams will be limited to 3-4 runners on the start line – with other team runners behind. Course markings will be abundant and will consist of brightly colored pin-flags, orange and purple cones and small signs. Course marshals will be placed key intersections.

Staging Area: See the map that represents the area to be used for staging and team tents.

Parking: All parking lots are open and available for parking. See map for specific details

Bathrooms: Located near the football stadium and clearly notated on the accompanying map.

Race Viewing: The majority of the course is accessible for viewing.

Saint Paul VI Information & Meet Rules:

- Park only in designated parking spots
- Pop-up Tents and team Banners are allowed
- Teams are responsible for picking up, bagging and removing all trash
- Coaches, parents and participants are not permitted to run alongside racers in the finish line chute area
- Coaches and parents are not permitted to run with racers on any section of the course
- Runners are not permitted to use headphone during the races
- Spikes are permissible so long as blanks are used for the spikes
